www.cobhcommunitycentre.ie  Official – Cobh Great Island Community Centre  @Cobh_Community

Cobh (Great Island) Community Centre has been operating at the heart of the community of the Great Island now since 2008. It is home to Cope Foundation, and caters for a variety of users ranging from charitable organisations, sports groups, youth organisations, community groups, prayer groups and many more.

Foróige Fun Zone, catering for children aged 8 – 12 years, and the Active Retirement SWELS are evidence of how important the Community Centre has become to the young and old people of Great Island. Both of these groups were founded in the Community Centre by Community Centre volunteers. We are thrilled with their successes and look forward to seeing what new ventures they initiate in future years.

A mortgage was taken out to fund the construction of the Centre and this mortgage still has some years to run.

In order to service this mortgage, cover the ever increasing costs of electricity and gas, as well as maintaining the building and surrounds to the high standard that we think that the people of Cobh and Great Island deserve, we rely heavily on fundraising. Without this direct fundraising the charges for user groups would have to increase considerably.

Our direct fundraising includes

1. Our weekly Bingo
2. Our monthly Car Boot Sale/Market Fair
3. We run a various donation schemes
4. We sell advertising space in our car park
5. We run Teenage Discos and Concerts
6. We run an annual Race Night

One of our donation schemes is a facility whereby people can donate any sum from €5 upwards on a monthly basis by means of a standing order.

We would appeal to you to consider donating to this very worthy cause.
